First, please let me pass our sincerest condolences to the Hobson family for their loss. Our families go way back. Much longer than I can remember - much longer than I've been here. It's been my great privledge to get to know and love my parents life long friends and there's none I'm more fond of than Mr. & Mrs. Hobson and their family. The way they always had a smile and a hug for me and their sincere way they always cared, were memories I'll cherish forever. A loss like this is a double edged sword - while the world seems a little less livable and likeable - Heaven just got more appealing to see.Please know the Lamlein families thoughts and prayers are with you all.Yours Very Sincerely and Respectfully,Dave and Sherri Lamlein

Sending you my deepest sympathy. I remember going to Honey (Mary) & Ray's house and playing with Bob, Bonnie and Chuckie as youngsters, growing up together. We didn't live that far from where they lived, just across the state line in Ohio. They all were such wonderful people. Although I haven't seen Bonnie in a long time, she hasn't changed in looks much, looks just like her mom.

To Harry & Rebecca, my thoughts and prayers are with you. It was such a pleasure working with all three of you back at L-S years ago. I will always remember sitting with Bonnie as she trained me to be her backup Archivist and she would tell me stories (both personal and work) as we waited, waited, waited for those Bernoulli disks to load. I was sad to hear that she was ill and am sadder now to see that she has moved on from this world, but I do truly believe there is a place in Heaven for lovely good hearted people and Bonnie sure fit the bill! Her spirit and memories will be with all of us, always. My deepest condolences and apologies that I will not be able to travel to Ohio tomorrow to pay my respects in person. Love to both of you. Your friend, Alyssa Deal-Antoine

My sympathies go out to the entire Hobson family. Bonnie was a wonderful woman. She exuded a sense of calmness, no matter what seemed to be going on at that moment in the house. She always had a smile to greet everyone with, and a witty quip during any conversation. Please know that you are all in my thoughts.
