**S**herry Banbury, age 60 of Elyria, formerly of Lorain passed away Tuesday, February 26, 2013 at Huntington Woods Health & Rehab Center, Westlake after a lengthy illness.

She was born on March 23, 1952 in Lorain, Ohio to Clarence V. and Carrie M. (nee Orwick) Maurer. She graduated from Lorain High School in 1972 and later went on to further her education at Lorain Community College. She graduated in 1991 with an Associate's Degree in Nursing.

My heart is absolutely breaking. Sherry and I have been friends our entire life. We would not be in touch and then find each other again. Whenever I came to Lorain I would look her up and we would get together and laugh until we cried. When Cari left me a message in Cali I was in Lorain. I was heart broken that I was in Lorain and could have visited Sherry before she passed. I have wonderful fond memories of her and that will carry me through this very sad time. I remember all of her sisters and my love is going out to them. May Sherry rest in peace now and not suffer any longer. She will remain in my heart forever. Vicki

Hi Cari: The strength you've shown and demonstrated throughout your mom's illness has been awe inspiring! Every mother and daughter should be blessed with the kind of love and respect you shared with your mom. Her passing has taken it's toll on you but, I believe she wouldn't have left you had she felt you couldn't cope. I believe that with all my being, I'll miss my life long friend. Thank you, Cari for keeping me updated on her health, and when she was hospitalized. I'm so very thankful I was able to visit with her during the last few months of her life; to tell her I loved her, kiss her cheek, held her hand and told her to meet me at Heaven's gate when I'm at death's door. I know she'll meet me there.. Some people don't get the chance to say goodbye to a loved one. But you helped make that possible for me and I thank you for that. Sherry and I were best friends for over 45 years. I told her I would help you anyway I could, once she passed on. And I make that promise to you now. If you ever need anything at all, please don't hesitate to call me. You have my number. I'll help you in anyway I can. God bless you, Cari.

Sherry and i were bedmates after my hip replacement surgery and my stay with her ill always say helped my healing and the laughter and tears we shed and the snacks will i always remember. Sherry had a pleasant personality and a caring way too many people fail to have and even though i didnt see her after i left id catch myself chuckle at something she said or did . My Heart and DEEPEST sympathy goes out to her LOVING FAMILY at this very trying time but may you find PEACE knowing Sherry has gone home with the LORD and is still doing the work she did so well, taking care of those in need.
