Another of our precious saints has just gone Home. What an honor it has been to have known Sister Brewer over the past nine years. She always had a most beautiful smile as well as a beautiful spirit. She has been sorely missed in the church services. Her parting is another reason for those of us left to mourn her passing to make plans to meet her in the Glory World. Our love to the Brewer Family. You are all very special to us.

We live much too far away to attend the funeral but I have many wonderful memories of Sis. Brewer. I spent many hours w/her and my own mother in the kitchen at Camp Blessing. I also had the pleasure of spending a few Sunday afternoons at her house with Penny. She was always an example of a Godly woman to me and such a blessing to be around. I will most certainly miss seeing her beautiful face and giving her a hug the next time we visit OH and Broadway Assembly. Her "spot" will be empty. Much love to all the family, Don and Novella, we love you and are praying for all of you in your grief that I know is mixed with the joy of knowing she is in Heaven and we will ALL see her again!
:D Love you!

As her grandson, my childhood is filled with many fond memories of Grandma Brewer. The day she was Baptized at Broadway Assembly, the countless Thanksgiving and Christmas dinners she devotedly prepared and served, the numerous Saturday Night sleepovers with fresh baked Chocolate Chip Cookies & Milk followed by Sunday morning biscuits and gravy breakfasts before Sunday School. I remember how she sang and hummed gospel hymns when doing 'the wash,' Texas Sheet Cakes, Blueberry and Peach Cobblers made from scratch, canning vegetables from her and grandpa's large garden and making her famous Strawberry Jelly. I remember how she went to the Beauty Shop once a week to have hair done and how she bounced the grandkids upon her knee singing "trot- trot-trot to Grandma's house..." And how she got a switch (thin tree limb) and spanked us for misbehaving because she loved us. I remembered how she took care of my Uncle Don when a farm tractor flipped over upon him, how she rescued my Aunt Elaine when she fainted in her soup, and how well she cared for me when my jaw was broken and gave me a place to live while I healed. This only scratches the surface of the many wonderful memories I have. But it is how she lived her life as a Christian that I remember most. From the day she was saved Grandma lived her life as a living testimony. Her home was Heaven on Earth with a sweet peaceful spirit, exceptionally clean and holy. She faithfully served in the Helps Ministry as a nursery volunteer, Sunday school teacher, cook and rarely missed Church service if ever. Grandma's life exemplified the Christian lifestyle remarkably. Now she is with the Lord, reunited with my Grandfather, her mother "Granny," siblings and all those who have gone before us. For this reason I am happy today. Why? Because grandma has entered eternal life with a crown of glory and I'm absolutely 100% certain that we'll see her again. We love you Grandma!
