went to grade school with Nancy -lived in the same neighborhood-Fleet Ave and when we were single ran around -especially remember Nancy was the first one to have a car-named Bessie-had a lot of fun-shared good times and bad-tears and laughs.. but we had to grow up and time and circumstances separated us...was sorry to hear the news of Nancy..she sure worked hard-haven't seen her in a long time, but have only good memories of our friendship. peace

We knew Nancy from church and her singing in the choir. She was always a very cheerful person despite her illness, someone to emulate. She would always asked how I was doing with my cancer and we would share our concerns about each other. She will be missed at church as much for her kindness and grace as she will be for her voice in the choir. She can sing with the angels in heaven now...

Aunt Nancy was always such a caring, sweet, loving person. I will miss her dearly. I just talked to her at Christmas, and she was so proud of me and what I've become. She will be missed greatly, but is an inspiration to all of us. I love you Aunt Nancy!
