Awhile back, I ran into Jerry at the vets office (we both had taken our dogs in).... even though I haven't seen him in years, we recognized each other instantly. We had a nice talk and got caught up, etc.. I will always remember Jerry as a true gentleman. My thoughts and prayers are with his family.

Jerry was one of the first friends I made the day I arrived at Admiral King. He lived practically around the corner, and was a good and loyal friend that never quit believing in me. We may have lost touch some after High school, but every time I ran into Jerry it never seemed like time had passed at all. He was one of the finest friends I could've made in life, and in many ways he was close like family to me. I'm proud he and I were friends over this last 24 years. I miss him and my thoughts are with his family.

I am fortunate to have served Jerry and his beautiful daughter Ashley on numerous occasions at the Lorain Applebees. I consider them regulars of mine in which I care a great deal about. Jerry was always pleasant and a joy to have anytime he visited our location. Jerry you will be missed! I am grateful to have been in your company and to know you on a first name basis. God Bless your soul and rest in peace.

I have so good memories about Jer. 40s, listening to AMG, driving around in the Monte C, laughing as we cracked on Pete, Daytona '93 with Jer and Harvey, meeting The Captain, me making fun of his one of his profs as he sat in class and I yelled Ron Jeremy and I could see him laughing, trips to OSU to visit Harvey and us laughing the whole time. A funny story about Jer involved Me and Pete at Pete's luau. Jer kissed a woman who was bigger than big Jer. I couldn't even see him as they kissed. You had to be there. Life won't be the same without one of my oldest friends to reminisce about our fun and laughs. I'm sorry for everyone's loss!

Though we lost touch after high school, I counted Jerry as one of my friends. It was so good to see him again after so many years when we reconnected at Lorain High when he was coming in to pick up his daughter. Jerry had a quick laugh and an easy smile, always there when you needed someone. May all his family, especially Ashley, find peace and comfort in the love and memories of Jerry.

Jerry was one of my better and close friends while we attended Admiral King High School. Such a shame to hear the sad news. It was like a kick to my gut. Jerry always had a smile on his face and always seemed so laid-back about everything. He didn't have very many enemies. "Big Jer," you're going to be missed, brother. Rest in peace!
