Our most heartfelt and sorrowful condolences to the Trimble family. My husband and I had the pleasure of knowing Robert and are thankful for the memories and his friendship. My husband and Robert met when they started working for Voith the same time. They worked the same department and quickly became friends. Robert was a very thoughtful and caring person. We will deeply miss him! May God hold his family in the palm of his hand and give them comfort and strength. Until we met again, R. I. P, Robert
