Please accept my condolences for your great loss. Wylie always spoke so highly of her family and I am sorry I did not meet Antonio. May the time soon come when you can think of him , without feeling sorrow but as one fond memory among many. I wish you strength to get through this horrible time. Fondly, Bob Zuckerman

One of my happiest childhood memories is the Christmas Eve spent with Antonio in Lorain. Even as a kid, I admired the rich family life he had created. He provided a home full of people celebrating through midnight and always had room for more to join. He sat quietly and grinning at the swirl of loving family surrounding him. His memory is certainly a blessing in my life. Thank you Antonio. All my love, Carter.

I have very fond memories of Mr. Lugo. He was always a sweet, kind, friendly, gentle man toward me, and he gave out hugs and handshakes freely. He was very personable. I enjoyed his smile, and sometimes had the opportunity and pleasure of conversing with him. I also know he loved his family very much. My sincere condolences to all family members and friends, as I know this lovely man will be forever missed.
