Boss Lady, I am so sorry that I am just finding out about this. You always had great things to say to me and always shared words of wisdom. It is because of you I went on to pursue law enforcement. I never got to tell you, I just got medically retired after 13 years due to an injury during an arrest. Thank you for all your help and encouragement. Thank you for your friendship. I will always remember you. Love you boss lady tim hart
