I will miss Bob. It was always a joy to work with him during the park events. I loved when he brought their pet and we all got a chance to visit. May the God Lord watch over his family.

Goodbye, Bob. In our short relationship, I was proud to have known you. You were the perfect personality for the unique bunch that is family and associated out-laws. Thanks for your kindness, your openness, and your welcome to just one member of that periphery. You will be missed.
