I'm so very sorry to hear about Dana's sudden passing. We both graduated from Avon High and had reconnected while riding the 246 bus to and from work. I still remember Dana from the first grade. My deepest condolences to all of the family – you are all in my thoughts and prayers.

I worked with Dana and will always remember her warm smile and friendly nature. She shared the same bus stop and would always wave goodbye as my bus turned the corner. My last memory of her is that goodbye wave. My deepest sympathy to her family.

Dana spent a summer on Cape Cod when she was 12 and we had such a fun time, shopping for new clothes, getting our hair cut, going to the beach and getting sunburn. Dana loved learning to cook and sew. Her curiosity was so acute that we had to be careful what was said and done during her stay with us, Auntie and Uncle Lenny. We took her to the Air Force Base for a tour. Our time spent together as Auntie and Niece were memorable and will be cherished for the years left in my life. Dana, you have opened a new chapter in your Book of Life, happy journey, and smooth sailing. You are my "Honey Girl" and always will be. I will miss you but will always remember you in a special and loving way. Your will always hold a special place in my heart. Until we meet again, I will remain your Auntie Marie.

So gently wrap yourself in the warm memories of your loved one. Let the love she held close continue to bring you strength and comfort.
