Art was a very special guy. He will be missed by all of us, but especially his family and close friends. His laugh and his taking the time to talk with you, no matter how busy he may have been. You were always important to him. May you take comfort in that he is not suffering and has no more pain. Our thoughts and prayers are with all of you. May Jehovah God remember him in the resurrection to life here on earth, where once again Art can enjoy life and the things he loved.
