Mary Ann, my deepest sympathy to you and your entire family in the death of your mom. I know you realize how Blessed you were to have her in your life. I trust the following poem is of some consolation: I AM ALWAYS WITH YOU When I am gone, release me, let me go.I have so many things to see and do,You mustn't tie yourself to me with too many tears,But be thankful we had so many good years. I gave you my love, and you can only guessHow much you've given me in happiness.I thank you for the love that you have shown,But now it is time I traveled on alone. So grieve for me a while, if grieve you mustThen let your grief be comforted by trustThat it is only for a while that we must part,So treasure the memories within your heart. I won't be far away for life goes on.And if you need me, call and I will come.Though you can't see or touch me, I will be near.And if you listen with your heart, you'll hearAll my love around you soft and clear.And then, when you come this way alone,I'll greet you with a smile and a "Welcome Home" - Author Unknown
