Dear Gale, This morning (2/11/12) out of the blue I suddenly felt your warm heart and then had a vision of you looking just as beautiful as you have always been. I have not talked to you in ages nor did I know your new last name but I felt compelled to google you and now sadly I found that you have passed. I feel the loss in this earth plane - you have always been such a kind person. Indeed you are a beautiful angel now and still sharing the warmth of your soul. I love you, Luba PS Hi Anita and Christine
