I wish to pass on my deepest regrets. I worked with Keith for nearly 12 years and the thing I remember most about him was his sense of humor. While it was a bit quirky, I found it endearing. On days when it took all of my energy just to crawl into work, my mood would be instantly lifted if I saw I was working with Keith. He had a way of making a stressful day easier to deal with. I will always remember him for that.

Dear Tara and family, Words lack the ability to communicate at times like this, yet I am reminded of a quote by Corrie ten Boom, "If God sends us on strong paths, we are provided strong shoes." Lord know that you will need "strong shoes" in the days ahead. And that is what I am praying for you, my friend. I am so deeply sorry for you, Tara. God bless you-
