Dona Luisa & family: Please accept my deepest condolences for the loss of your husband, Ernesto. Although I never personally met him, I heard wonderful things about him from your family through the years, and imagine he was a great guy if he was anything like you. I know there isn't much we can say or do to ease the pain you feel right now, but know that my heart is with you, and that I am praying and thinking of you all, at this difficult time.
