To all the Ron Abel family: We are so sorry over the loss of your beloved Ronnie. We have known him since he was about 8. Ronnie was at that time loved by all that knew him and as he grew the feelings grew. A wonderful young man. We never know "why" and are not to ask--but God knows and will watch over him now. We thoughts and prayers are with you.

I had the pleasure of meeting Ronnie about 12 yrs ago thur his father-n-law Bill Cable. He was the most caring husband and father that I have met. He was always so good to me and my family, but thats just the ways Ronnie was. I loved him like he was my own son-in-law and will miss him terribly. You are no longer in pain and now are at home with your loved ones. Until we meet again Ron, you will always be in my heart Love you PatMxUe

May you all be in Gods comfort knowing he is in our Lords house and in peace. He will always be with you in spirit and now you have a very special guardian angel with you on the other side to guide and protect you. Right now it doesnt help your pain, however I know that in time you will be more at comfort knowing how much suffering he is saved from. May God keep you, comfort you, and bless you as you go through this very difficult time. Call on your friends, family, and faith in the immensely difficult time. Remember there are many people that love you and will be here when you need us!
