He was one of the funnest and craziest guys I had met in my lifetime. I really enjoyed talks with him at Red Clay. Thanks Paul!

Dear Family,I am so sorry to read about your father's passing. It has been years since I heard his name! We went to St. Joseph Catholic School together, although I think he was a year behind me. We had two classes in the same room. So when he was in 3rd and I was in 4th grade, we were together in the same classroom. He was always so nice, and I'm sure he became a wonderful man, father, and grandfather. I am sorry to hear that he was so sick and was in the Hospice program--which is a wonderful program.With my sincere sympathy, Arlene
