Phil was a great reader and knew a variety of subjects. Returning from Florida, he visited his brother David and me driving a bright red sports car, like a Trans Am. I and our two sons went for a ride with him. Jeff, about 4 years old, called "Faster, faster!". Matt, six years, countered with, "Nooo!" Phillip looked at me and said, "There you have it: Id and Ego riding in the back seat of my car!"
