Dear Kenny and family, We have been living between Michigan and Arizona for the last 35 years so we haven't seen you and your Mom and Dad very often. However, as a nephew, I have many fond memories of your parents from my boyhood and earlier years in the Lorain area. We are extending our condolences to you and your family. Your parents were both great people and they won't be forgotten. I know that you were close to them so it makes the loss more difficult to bare. Sincerely, Don & Shirlet Krieg

We wanted to express our sympathy to you in the passing of your dearmom and grandmother. We think of her often and remember all the chats we used to have. She was like a second grandmother to our children and the best neighbor we ever had. I know you will miss her dearly.
