My condolences to the Steffani family at this difficult time. I hope you will find comfort in this scripture found in the Bible at Acts 24:15 which gives hope of a resurrection for our dead loved ones. I hope you will take a minute to read it and if you have any questions or would like more information, please feel free to call us at any of our Kingdom Halls.

We miss you so much already. Each day is a reminder of all the joy and the laughs that you had brought into our lives. You filled so many voids in our lives and you will be so passionately missed. We love you and miss you each and everyday. You often worried that the kids wouldnt remember you, that they would be too young when you died. I promise to never let that happen. That is my promise to you! I love you!
