Jeff. Reading your father's bio gave me a glimpse into the kind of man your dad is...I say "is" because this life is not the end...his spirit like ours will go on living. Your dad obviously believed in Jesus Christ and served him as a father and participant in the Church which is just one sign that he was saved. His eternal life is guaranteed by the precious blood of the lamb, Jesus, God incarnate. I pray that these words help confirm what I know many others have been saying to your family. Peace to you, my friend. Clay
