Karen, So very sorry to receive this news. We were wondering about you and Brian for some time. What was the problem with his health? It makes it so hard to loose someone so young with a family. Ron was wondering what ever happened to the clock he made for Kiki that was to go to Brian. Did he get it, where is it now? Our condolences to all the family. Please keep in touch with us. God Bless, Ron and Charlette

Will missed him very much since he was in band with me (Tracy) and Joe Jones. I remember the good times we had to keep track of our count when doing the footstep since we couldn't keep up with the music. Now he is in God's hands now and no more suffering for him.
