Terra was a little sister I never had. I was blessed to know her for 26 years. Doug and I enjoyed so many good times with her when she was younger. She always made me laugh. I loved to sit and listen to the funny stories they would tell about their younger years. Her boys are a blessing and hold a special place in my heart.

I will hold so many memories in my heart although it aches for you. Seems like it was yesterday we were kids with no worries. You had more courage than anyone I know and you fought until the very end. I love you very much. Please God, watch over my baby sister.....Dougie

Terra was my best friend for many years through high school & in our young adult life. We went through so many ups and downs together, shared a lot of happy times as well as tough times. She was the strongest willed person I have ever known & I know God will be watching over her beloved boys for her. My thoughts & prayers are with her family. God Bless...
