Sending deepest sympathy to a dear family who once lived down the street from us. Bill was a great guy who helped our son out of a jam with a car a couple of times. He was there when you needed him, and died way to early. We know he is in a far better place than we are, but it hurts and I am so sorry for your pain. Please know that we care and are sending prayers for your comfort. Sympathy and Love, the Semple's
