Dear Laura, Lisa. My name is Lil O'Sullivan (nee O'Brien). I was a great friend of your mum back in Ireland when we were young. We continued to communicate up to her death and I looked forward to her letters and cards .She never lost her great sense of humour and reading her words the years just fell away. I hadn't heard from her for a few months and was worried so my daughter checked the Lorain newspaper online and this is how I came to know of her passing. I want to offer my deepest condolences to you both and your families and will remember you in my thoughts and prayers.Lil.xx
