Garfield (Sid) McArthur, 62 of Wellington died Monday, February 3rd, 2014 in his home following a lengthy illness. Sid was surrounded by friends and family. He was a history buff and could answer just about any question about World War II. He enjoyed visiting the National Museum of the Air Force at Wright- Patterson AFB in Dayton, Ohio. Sid was a doting grandfather, and his only granddaughter Sydney was his pride and joy. He loved spending most Sundays with her. Often they would take walks around the neighborhood, or simply take a drive around in the country.
