Dr. Quan was my doctor 40+ yrs. ago. He saved my face after a horrific auto accident when I was 18. I will always be grateful to him for the meticulous work he did, and his loving concern for my recovery. Years later I worked at St. Joe's and re-introduced myself to him, only to have him say " I would know my work anywhere, Princess. What a wonderful man! Comfort and peace to all the Quan family Patricia (Hutchinson) Hayto

Dr. Quan was a beloved person and surgeon. Had the skills of a plastic surgeon before Lorain had a plastic surgeon. Have many pleasant memories of him from working with him at St. Joseph Hospital and a patient. Bless him and his family.
