I am saddened to hear of your loss. Revelation 21:4 says "He will soon wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." This is a beautiful hope that the Bible holds out for us. I hope this gives you some comfort in your time of loss.

Walter Rowan and Melissa Rowan Hiner remember with great fondness the bicycle trips with Steven and Heather around our great childhood neighborhood in Lorain and then in Vermilion. Aun't Linda, Uncle Dick, Sreven, Heather and Amber were like family to us. We cherish these memories and offer celebration for Steven's life. We love you!

Walter & Melissa!! Wow, it is SO wonderful to hear from you. I have thought about you and your family so often but didn't know where to find you. Janine Grego kept me updated for a while since she lived in Ashland, but then she lost track of what was going on with your family. I would love to reconnect with you both. Please feel free to contact me at seaYAK66@yahoo.com I have missed you!! Steve loved you and your family so much. Such amazing memories I have too.

Hi, my name is Patty Jodrey and I worked with Steve at Music Hall for many years. We both started there in 1989. I always enjoyed working with Steve and he was a wonderful person. I will never forget how he helped me when I bought my house. He helped me tear out old carpet, paint walls, and dig out bushes. He also put together a "starter kit" of old tools that he had duplicates of for me to have on hand. He really helped me make my house a home. I will never forget his kindness and friendship, and I will be forever sad that he left us all so soon. My condolences to the family for this great loss. My heart and prayers go out to you all.

Yes Jordan that was mine. I would love to come to your celebration of life for Steve, but unfortunately I will not be able to get back to work that evening in time. I plan on scheduling one here for all of his friends from Music Hall. When I had to tell the sad news to folks, well we all thought we should get together to honor his memory. Could you send me a contact info for you and your father? So many have wanted to send a card but we didn't have an address. My email is pattysj36@aol.com. We are going to make a donation to the Preservation for Music Hall in his memory. I know how much he loved it there and we thought it would be a nice tribute to Steve.

Hi Patty, Thank you so much for your kind words about Steve. He loved working with you at Music Hall and I think I remember your house too - it was the one with the cool corner sink wasn't it? He was truly a special person and touched so many lives with his generosity and kindness. We are all still in a state of shock and trying to move forward without him in our lives. It's hard since he was such a vital part of all we did. He was our "Go To Guy" for so much. We will be having a celebration for him on May 31 at a local park here if you are close and would like to come. We would love to have you, but I know it is quite a drive if you are still in Cincinnati. Thank you again for taking the time to share your memories of Steve. I read them to our dad and it meant so much to him to hear them. Best to you.
