Pat and family, I am so sorry for the loss of your father. I remember being at your house and your Mother and Father being so kind to me. I had just moved here and your family made it a lot easier for me. I also remember your doll house that you had in the back yard. We had a lot of good times in that house. I will be praying for your family at this time. Love, Caren Ranck Godfrey.

Mr. Ceh was such a loving man with a great sense of humor and gave great hugs. As a child, I have fond memories when the Ceh family would come over after midnight mass and when our family visited at their home on Christmas Day. I always think of him when I hear "Oh Christmas Tree". Our families had great times together. He was a great friend to our parents, Harry and Phyllis and made a special effort to visit them in their final years. Thinking of you all during this sad time. With love, Dominique Fior Sorbo
