To the Wheeler Family and Friends, My wife and Carrie met Dan during his days over at Houlihans. We quickly enjoyed his company and would go to Houlihans to see him during his shifts. Dan and my wife would joke about Keno and we on several occasions met him while we were downtown at the Casino. Dan was a great guy and we got to know him and learned of his family and soon to be fiancé via conversations at the bar. I can only imagine that heaven is a bit more fun now that Dan is there. We send our prayers to you and yours and are so very blessed to have spent time with him. My wife gave birth to our first son last week and we are sad he didn't get to meet Dan as my wife had spent so many days eating at Houlihans while pregnant chatting with Dan. Thoughts and Prayers with your family, Anthony, Carrie and Lex Salm

I am very sorry to hear about Dan recently and Mrs. Wheeler from a few months back... Dan was a great best friend through much of my life. We seemed to do everything together: soccer, baseball, cub scouts, OM, basketball. I've spent much time since I heard the terrible news reflecting on our many good times that were shared not only between me and Dan, but our two families. RIP Dan and hopefully they have baseball cards in heaven. Sympathy and prayers to Mr. Wheeler, Lauren, Joe and all of the rest of the family. Matt

Lauren - That was so sweet of you to respond. The picture you mentioned above was no doubt when I retired. Your mom and all 3 of the Wheeler children came to my room and brought me a flower. I certainly have had your family and you in my prayers.

Mrs. Paull - while looking through pictures we found one taken when we were in about middle and high school of you, my mom, Dan, me, and Joe. We could never forget 1st grade! Lauren

My husband and I met Dan at Houlihan's. We typically have dinner out 3 or so nights a week and never have we been so drawn to ,albeit, a stranger. We enjoyed many conversations with Dan! So much so, that we became regulars during Wednesday's Happy Hour. Dan talked with us about his love of his family and his life growing up in Vermillion. He talked with us about his moms battle with cancer and we shared tears when she lost her battle. Dan introduced us to his girlfriend a month or so ago and he was beaming with pride when doing so. We only knew him for a short time but his smile, personality and conversation were so engaging. I can't imagine the pain family and close friends of Dan's are experiencing over his sudden loss. We're deeply saddened. He was a shining star! Our sympathies and prayers go out to you! Dan & Lindsey
