I did not know your daughter. I can only say I am so sorry for your loss. We lost our son, Jim, at age 44 this past October 7. There were some similarities in their lives; namely, their love for the Pittsburgh Steelers. Maybe they knew each other. I can truly sympathize with your loss. It is so difficult when a young person passes on. We are slowly trying to adjust but it is extremely difficult during the holiday season. May God guide you thru this time in your life and know that even strangers care and pray for you at this time. We have become very close to some of our son's friends. They have been like angels helping us through. Accept the support from others to assist you. May God be with you. Mr. and Mrs. KonyaParma, OhioPS We also have a yellow lab!

Deepest sympathy to Karen and Chuck on the loss of their daughter Tammy. May it be a comfort to know that I am keeping them in prayer during this very difficult time. Blessings & hugs, Cindy Sugerik
