I became friends with Nancy and Keith when I marketed and sold their home on Batavia Avenue in Geneva, Illinois some years back. The sale, thankfully, took several years; it gave us the opportunity to become great friends. Nancy and Keith spent several Christmas dinners at my home with Richard, my husband, my children and at the time 2 small granddaughters. We had some joyous times together; Richard loved Keith's sharp mind. When they finally did sell their beautiful home and moved to Main, we felt a void; for some years after their move east we remained in touch through snail mail; then my letters were returned and her's stopped coming. I wondered where they had gone, and throughout the years thought of them often and fondly. I adored Nancy. she was the epitome of good manners, class, artistic talent and good taste. My sympathies to all her family and friends. She was above all a resilient soul and positively affected my life. Bobbie Gerbrecht Grayson Batavia, Illinois

Please know that we offer you our sympathies and prayers for your loss. Aunt Nancy would always make everything special-she had a sparkle and we all enjoyed both of your parents at the reunions and weddings. She will be missed but we also know the last years have been not easy for you and all who loved her and she is now reunited with your dad, brother, and all her family.
