deepest sympathies to the Mayhew family at this difficult time.I worked many years with Michael and remember his willingness to help anyone at anytime. One thing comes to mind, when he didn't agree with you, he would say "you must have eaten the wrong food growing up". Michael had a great sense of humor and shared that with everyone.Gods blessings to you Angie and the Mayhew family.

Angie, Judy and family, Mike had a smile, caring heart and love for everyone he met and his family. I had the honor of knowing Mike from the day the family moved to Elyria and will cherish that friendship always. My prayers and thoughts are with you all and know that God accepted one of his Angels home but he will be with you always in your hearts and awesome memories of a great husband, son, brother, father, uncle and to all of his friends. God Bless you, Becky Lenhard
