She always would talk about how excited she was for Danielle and I to go to high school together, and when I was at St. Jude she would always ask how Derrick was doing. She was always very proud and protective of her grandchildren! A beautiful woman inside and out ❤️

She was our "Auntie"! We will remember her fondly. I loved when she would share her stories of her childhood with us. She would also share stories about my mom and her brothers. Some of my fondest Christmas memories would be of the parties she had at her house. We all had such a great time! She will be forever missed!! Love, Lisa, Tony, Katie and Anthony
