My deepest sympathies are extended to the entire Tyree family and to all of those who were touched by Lori's vibrant energy, quick-wit, charm, love, laughter & friendship. A fond memory I recall about Lori from our Lorain High school days was her love of singing - when I'd tell her she sounded (& looked) like Stacy Lattisaw- she'd bust out with one of her songs...& sing a verse in between classes every time she'd see me for the rest of that day. May her love ones be comforted by God & may Lori's spirit rest in peace. Sarita S

To the Tyree Family, my thoughts and prayers are with you all. Lori was a beautiful person inside and out. She was one of the most influential people in you teen years. She taught me so many things and treated me like a little sister. She was one of a kind and will always hold a special place in my heart. I can still remember the time she spent getting me ready for my prom when my mother had to work. She took the day off from her job to ensure that I felt special and supported. She never made taking time to be there for me feel as if I was a burden. She included me and showed me unconditional love. May you rest peacefully in God's Arms sis. I love you always.

I remember when Lori, Rhonda and Auntie lived with us briefly in California. Auntie was so afraid of driving on the freeway! Lori and I loved music and loved to sing. We were going to start our own band named Shaunce'... I don't remember what that meant, but we were going to sing! We were silly teenagers that loved Duran Duran, especially John Taylor. I was sad when they decided to move back to Lorain, but understood. I'm glad we were able to connect again on Facebook. I'll miss her terribly...
