My Big Brother may die today in flesh ,but will live forever in Heaven I do believe this because he accepted Jesus Christ as his Lord and savior.My memories of him will live on in me until my last breath.This man my brother has been not only a brother but my father figure and a picture of what a real man should be.He was a hard working loving family man.And never spoke a bad word about anyone.He loved to tell jokes and make people laugh most of his life. .. No more suffering...Prayers please for everyone who loves this man my brother.And I know God will surely be entertained with my brothers sense of humor.Tell Mom please remember what I told her.And see you soon !Love you're baby sister Candy 💙💛💛

I remember Gibby as a very loving and caring person. When I visited mom and Nathan I could always plan to see him at their house drinking coffee and visiting. He always had a smile to light up our lives and plenty of stories. We will miss you and so lucky to have spent the time we had with you. Our love to your family.
