**C**elia Stawicki (nee Lopez), age 62, of Sheffield Village, passed away on Friday, April 27, 2018 at the New Life Hospice Center of St. Joseph after a short battle with cancer.

She was born on August 5, 1955 in Lorain and is a 1973 graduate of Southview High School. Most recent, she was employed at LTI Power Systems with the UPS Assembly division, where she worked for 15 years. Celia loved and cherished her family. She enjoyed watching her grandchildren participate in all of their activities, and being involved in all of her family's activities and functions. She will be greatly missed and remembered always in our hearts.

Our deepest condolences to the Lopez and Stawicki families, especially to Chris, her children, and grandchildren. Celia was a wonderful neighbor and a kind person who treasured her family and friends. We have fond memories of spending time with Celia and appreciated her as a neighbor and friend. We also have fond memories of conversations with Celia who, before she met began a relationship with Chris, expressed many times how "handsome" he was and how she wanted to date him. She was persistent and when she had a goal in mind, she surmounted challenges to attain goals and happiness. She succeeded in dating Chris, marrying him, and was a true partner, confidante, and friend to him. She will be missed by many but she has invariably left a legacy and many memories for all who knew her. In deepest sympathy, Karen and Rick Kuehn

My deepest condolences to the family. Celia was a good and beautiful woman. I went to school with her from elementary on up. (I'm attaching a 5th grade class photo - she's 2nd row from bottom, 2nd girl from right.) We all know she loved her family dearly and she adored her grandchildren. Prayers for everyone who's hurting over her loss. - Doris
