Shiela was the one who interviewed and hired me back in 2012 at Sears in Elyria. She was an amazing woman to work with while I was there for those 2 1/2 years. I will never forget all the memories of going out with her and the rest of the crew to eat dinner on Sundays or during shifts. She will be missed.

So sad to hear of her passing. We went to Masson school and Lorain Catholic HS together. We were in the DECA class together and even did DECA competition in Columbus with Mr. Ramsey's class. We were wild and silly together in HS. she will be missed.

Can't believe your gone 😭 you will surely be missed by all your friends from 1310.

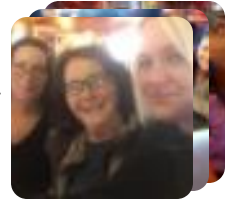

I'll never forget drinking with you at flo's retirement party where you lost your

shoe. Or hanging out at my wedding where you lost your phone lol. But more

your love for helping others. We will miss you so much a seat will be empty now at our get together

dinners. It won't be the same without you. Rest in heaven. Miss you and love you always ❤️

Sheila, we had great times talking in front of the heater. Looking up weather to see if it was going to warm up. So much fun buying jewelry from each other.
