Memories is what I have of you. Great memories that I will always cherish ❤️ Thank you for loving us, my sister and I. Oh the fun times of riding in your 442 car, going to the eagles club with you, taking us to Cedar Point. You would pick us up and we would spend the whole day with you. Oh how much I wish I stayed in touch with you and you could have seen your great grandbabies ❤️ and how much my life has changed in the past years. So many times I would visit Ohio and always thought of you, just wasn't sure how to get ahold of you. Your so missed, I wished I could have been there for you. 😞 Thank you for always treating me as your granddaughter. I love you and miss you. Sending my condolences and prayers during this time of grief. Sincerely, Erin Orr (Gearhart)

I remember the very first Football game i ever went too ,He took me to the Browns and Buffalo game.That was a day it started snowing really hard and it was very cold ,but we stayed for the hole game.We also stop by a place that he loved there chili dogs in Cleveland before the game.Bob was a great Step dad he was fare and loving towards me treated me like i was his own son.I have moved way to another state and tried many times to keep in touch,as i did love him and respected him,I wish i could of made more time to see him.I still have many good memories of this great man that came into my life in 1974 and raised me made sure i had the things a boy at my age needed and more.If he could of seen me know I think he would be proud of me ,i listened to him about what type of worked to do to make a good living ,Back in 1990 i took his advice and fallowed in his foot steps as I am a Tool and Die maker/Machinist for almost 30 years know,Of course he was right I am glad i listen to him.There was a lot of things i wanted to tell him later on in life ,just never got the chance.I miss the golfing adventures he would take me on every Sunday morning with him and the guys.He showed me how to be a man growing up and to respect my elders,and to grab life by the tail and enjoy things .I will miss you as you raised me from the age of 13 or 14 I am 57 know Thank you for being there when i needed you and guiding me in the right path in life i truly will miss you knowing when i come to Ohio ill never get a chance to see you again ,Rest in peace to the best man i ever knew ,I love you
