I dont personally know Laura or her family. I came across her obituary and of course her beautiful, almond shaped eyes caught my attention. I am also blessed! I am one of the Lucky Few! I would like to express my heartfelt condolences. May she rest in peace. I'm so sorry. God bless you all. Fly with the Angels sweet Laura.

Thank you so much for sharing that wonderful story. We will certainly add it to our long list of wig stories that we had with sweet Laura. She used to flip that wig off every time she was feeling comfortable and happy. Thank you so much.

I was one of Laura's teachers when she was at Murray Ridge School. I have a favorite memory of Laura that took place during a Raiders basketball game. The cheerleaders from the workshop were there which of course inspired Laura to be a cheerleader too, She took off her wig and used it as a pompom as she enthusiastically cheered the team on!Not everyone can say with certainty that they no someone in heaven, but you can! She was a joy!Theresa Kaczay
