Kathy and I were in school together, at St Anthony's from K-8. We had many adventures and I frequently went to her house for lunch because she lived so close to the school. The nuns made us dance in front of the class to "The Blue Danube", because we were laughing in class. We were young together and that is special. I was very sad to hear about her passing. Her beautiful smile will live in my heart forever. She was a gem! Sally Cvetovac Vashon Island WA
