Georgie and I were both nurses at St. John Hospital and worked together for many years. She was the kindest and caring and hard-working of nurses. What a privilege it was to work alongside such a wonderful, sweet, giving human being. We exchanged Christmas cards every single year containing notes about our families. She had a wonderful sense of humor and a smile for everyone. Heaven has another angel, and I feel fortunate to have known Georgie, while she was on this earth. She will remain in my heart forever. My sincere condolences to Cory and all of Georgie's family. Katey Yonkof

Our heartfelt condolences to Corey and all of Georgie's family. Georgie always said hello with a hug and a big smile! I looked forward to seeing her on Sunday mornings to help set up for coffee time at St. Paul. And oftentimes, you'd be right behind her Corey! I loved to hear about her Scouting stories, nursing shenanigans, and the dinners, desserts and cakes she created for the Troop. Just as we sat near each other in church, I look forward to singing next to her in heaven someday! 🙏❤️🙏 Sharlene Marty and family

Corey my heart hurts to hear the news of your mom's passing. I was so happy to see your mother and you at Church Sunday, August 22. I was looking forward to visiting with Georgia the following Sunday. It is shocking as your mother looked so good, she was so happy that you came in town for a visit. ❤️ What a special time for you and your mom. You loved each other very much. Georgia loved Our Lord with her whole heart, and now she is home safe in His Everlasting Arms. We will be pray for you Corey. 🙏 The Broz Family

Sending love and deep condolences to Corey and family. Georgie has been such a close friend for 40 years where we met as nurses at St John hospital. We helped each other get through empty nest when our only kids went off to college and later out on their own. My lose of Georgie as a close friend is heartbreaking but I have comfort in knowing she will be home with our father. She was a beautiful christian woman who cared for so many people doing God's work on earth. Memories of her gentle, loving soul will never be forgotten.

Dear Corey and Dale and all of Georgie's family, I am truly sorry for the loss of a beautiful soul. After living next door to Georgie for 27 years and becoming friends during that time, saying I will miss her is not enough. She was a beautiful woman never asking for anything and always willing to take care of so many. She was a selfless woman and one who loved her Lord. The neighborhood will never be the same. I will miss her smile, our conversations over the backyard fence and seeing her at church on Sundays. She was an angel on earth and now heaven has gained a beautiful angel. Good bye my friend. Until we meet again. With a heavy heart, continued prayers for you and the loved ones you left behind. BJ, Shaun, Justin and Abby McElhannon

Dearest Corey and Family, Georgie was an Angel on Earth, and she is now an Angel in Heaven. She lived a life full of love and helping others. She was super at creating and sticking Cards For Others. She loved you Corey so very, very much - her motherly pride stands right with you wherever you are. Her helpful Brothers are reknowned for their abilities to lend a helping hand and her stepmother made Georgie so very happy, along with her treasured neighbors - the McElhannon - plus her dearest life-long friend Irene Dersi and Family and long-time nursing buddy - Debbie Ciprus. Resurrection Joy to all as we rejoice in Georgie's healing. Much Love, Deep Sympathy, and Gracious Peace in our Lord & Savior Jesus, Mary Levtzow, Rev. John W. Myers, and Service Dog Chico Jose

Dear Corey, I remember attending your Eagle Scout ceremony. Although, years ago, it seems like yesterday, just like working with your dear mother, at St. John Hosp. , seems like yesterday. Your mother was one of the kindest, hardworking, dedicated and caring nurses I have ever had the privilege of working with. I am in disbelief, and, at the same time, heartbroken. Christmas will not be the same without our Christmas card exchange this year, in which we always included the latest news about each of our families. She had a beautiful heart and touched so many lives with her sweetness, joy, and giving. I loved your mother, as so many, and she will be sorely missed. You and your family have my deepest and heartfelt sympathy . Katey Yonkof
