Carol is a dear friend and a neighbor and I am going to miss her very much. She was very much interested in so many things around her, her family, her pats, her friends, style in the clothes that she bought, books that she read. Always a lot of fun talking with her the conversation was never boring. We laughed a lot. I am so sorry for the family for their loss and I will remember you in my prayers.

Carol will be missed. We had many good times together over the years. A great neighbor and friend. She loved her family and her doggies, Bella and Fonzie. My deepest sympathy and prayers to all her family.
