We extend our deepest sympathy to you Elba, Angela, Nicole, Linda and your families in this tremendous loss of a well lived life. Cel was a true "Difference Maker" but not by words but by his actions; what he represented and how he extended of himself to his family, friends and community.He was a very blessed man who in turn was a HUGE blessing to those he interacted with. Within his body was a "good heart" that spoke volumes of his integrity. His transition to heaven's shore leaves a void for those of us fortunate to have known him.May your memories be of comfort to you in the days ahead. My favorite scripture passage is 1 Peter 4:10 as it talks about our gifts and talents. This represents Cel nicely.Love and prayers,Joe, Barb and Maggie ConleySouth Lorain
