My friendship with Janet goes back to our days as students in the school of nursing at City Hospital, which is now Metro General. We were a small class in number but close with many fond memories. Janet was one of the reasons I moved from Cleveland to Lorain County. My condolences to the family at this time of loss. Elaine Ragg Glover

Jay and Joe and family - I am truly saddened to learn of your mother's passing and my thoughts and condolences are with you as you grieve. I will always remember her laughter and wit when I visited your home during our high school and college days. She always made me feel so welcome and I am thankful for her generosity of spirit in that way. Just as she appears in that photo, I know she is looking down on you and smiling at the men that she raised and the family that she leaves behind. May the many terrific memories you have of her comfort you in the days ahead. God Bless you and your family. Dean Scheidler

Condolences and thoughts and prayers to Jay, Joe, and their families during this difficult time. Mrs. Sciarrotta was always a lady that I looked forward to seeing during the years that Joe and I went to school together and also when getting together not many years ago at a Sciarrotta family gathering. I always knew it would be a fun and engaging conversation whenever we spoke. It was very obvious that she took great pride in her son's and grandchildren which was wonderful. May the great memories of your mother and grandmother help you throughout these days. God bless you Mrs. Sciarrotta and thank you for always making me feel welcome in your home. Lance W. Pete
