I remember Frank! He came to my wedding with my sister Patty. Francesca was a baby. Her birthday is July 4 1984. She's mentioned here in his obituary but they never knew each other. I would have loved her to have known & loved Your beloved Frankie! I'm Sorry for your loss!

I unfortunately only had a short time with Frankie, but it sure was meaningful. Over the past year Frankie helped me through some hard times and I feel I helped him as well. Our last visit he was telling me about his first date with Rhonda he loved her so much he's happy now that they are back together. If I knew that was going to be the last time I saw him I would have stayed longer. Im glad my last memory is hugging Frankie goodbye. I am so sorry for your loss. Sammy thank you for everything.
