Karen, Kay and Gary, ___I too will miss your mother , I am so sorry for your loss,but God was good to her... She did not have years of suffering.. We played Sequences together only a month ago,Donna and I were partners and we won three games,She and I spent evenings together during last fall, I would walk down to her house because she couldn't walk to mine at the time.During "covid" she would walk down and we sat on the patio and talked and talked...She was dear to me but most of all she loved her family.. She was proud of all of you and you were the love of her life! Onetime when we were talking about our husbands we discovered they both attended all of Barck"S auctions..We figured they must have known each other..My heart is with you at this time, comfort yourselves with her love because it will never leave you...sincerely, Reta Mick

I've known Donna for years, what a sweet lady she was. She was a faithful volunteer for The Amherst Historical Society every Saturday and also at our events. She never tired of socializing with people and offering her time to help. She will truly be missed by all who were lucky enough to know her.
