Victor was a best friend and golfing buddy. His family treated me like family. I know Victor is in a better place now. How do I know? Victor virtually never said a disparaging word about another person. Rest in peace buddy, I will never forget you.

I always enjoyed speaking with Victor Kubasek. I have not seen him in 35-40 years. I got to know him through the Lorain Family YMCA because I worked there and he like to work out regularly. We used to have some great talks. My thoughts and prayers to the family and what a great human being. So sorry for your loss. The man upstairs has a great man coming his way.
