I just found out today, 1/30/2025, that Gladys passed away. I live at the end of her street. I was at the cemetery and saw the last numbers on her grave. I'm being buried next to them when I made my plans in 1998. I always wondered what happened to Gladys. She was sweet and soft spoken and Clifford was a nice man, always waved when he went buy. Can't believe all the grandkids she had. Wish I had known at the time, I would have been there. Sorry to find this out... Sara Scarvelli of Lorain, Ohio.
