Colleen, I want to share my deepest sympathy for the loss of Brian. I still remember our shared baby shower at St Anthony's back in 1996. Mrs. Goebel made us both crocheted blankets. Emily also expressed her sadness at Brian's passing. Apparently, she had an elementary school crush on him! Any time I ran into you I could always see how "busting with pride" you were of Brian. Your family is in my prayers.
